Junior Service League of Beaufort

Beaufort, SC 29902

Dear Junior Service League Members:

On behalf of the students, staff, and Board of Trustees of the Beaufort Marine Institute (BMI), I would like to extend my utmost appreciation for your generous gift of \$500.00.

We are so grateful for your participation in the Inaugural 17th Annual Invitational Beaufort Marine Institute Croquet Tournament. Your contribution to this event will help us in reaching our goal of putting troubled young men on the path to success.

BMI is one of over 60 programs affiliated with the Associated Marine Institutes (AMI). Since 1969, the youth development programs of AMI have been helping kids turn their lives around and achieve success. Through a unique combination of academics, counseling and motivational courses, we have found a formula that works. We are very proud of our history of success – over 75% of the youth who attend the program in Beaufort never get into serious trouble again and go on to become productive members of our community.

Your donation will enable the staff of BMI to continue making a tremendous difference in shaping the lives of troubled youth throughout the state of South Carolina and help us accomplish our mission to better the lives of as many kids as possible.

Again, thank you for your generosity and support. We hope you enjoyed the tournament and are looking forward to participating next year! Be assured that your gift to BMI will help assure trouble youth the services they need within a nurturing, caring and safe environment.

Sincerely,

Mike Ingram
Beaufort Marine Institute Board of Trustees, Secretary & Croquet Committee
Chairman
