

CHILD ABUSE PREVENTION ASSOCIATION

a United Way agency

To the Junior Service League Ladies,

Thank you for the time you have spent with the children of the Open Arms Shelter. The children reported that they have enjoyed you coming and playing games and doing crafts with them. I have come into the shelter the next day after Terrific Tuesday and would see for myself all the neat crafts you all had done with the residents. Again a many thanks for all you do for us at CAPA (Open Arms Shelter) and the community.

Sincerely,

Tina Kuhn, Case Manager/Child Advocate
